MEN'S RETREAT FEBRUARY 25-27

Everyday Christian Men partnered with Adam's Quest, another ministry based in the Pittsburgh area for the Forged Men's Retreat. The event was held at Antiochian Village in February. This was a great turnout for the first men's retreat for ECMen.

We are especially thankful to Bob Jamison for his teachings on Samson as he partnered with us in this event.

"This retreat was like no other I've been to. The sessions were really informative and well done. I met some of the nicest people I know. On top of it all the food and accommodations were outstanding. I will definitely return. Thanks again Matt for a wonderful weekend!"

"This retreat was great! It had the right balance of teaching, discussion, and free time. I will definitely be putting this on my calendar when you do it again."
