FORGED MEN'S RETREAT 2024

FEBRUARY

The Forged Men's Retreat was held at Ligonier Camp & Conference Center this year with over 55 men in attendance. God is changing lives and these events bring men together to find encouragement, support and accountability. God is transforming them into the husbands and fathers He has called them to be!

“Went into the retreat feeling somewhat anxious about the weekend and what all would take place there. Really wasn't looking forward to going at all. Left the retreat feeling energized, closer to God, and thankful for the group of men I met. Truly a 'fence post' weekend.”

DATE NIGHT

MARCH

The 2nd annual Date Night was a great time for couples to get out for the evening, enjoy great company, food and a message from Pastor Don & Karen Schreier. Congratulations on celebrating their 50th Anniversary in December!
